Contract advertisers will not be allowed to exceed their space unless the excess is paid for at transient rates, and under no circumstances will they be allowed to advertise other than their legitimate business in the space so contracted for.  
Marriage and death notices must be paid for in advance.  
Resolutions in memoriam, of thanks, tributes of respect, resolutions adopted by societies or persons, unless of public concern, will only be printed in the paper as advertisements.

## MOSEBY'S MEN HOLD REUNION.

The fourteenth annual reunion of the Forty-third battalion, Virginia Cavalry, "Mosby's men," was held at Hamilton, yesterday, the veterans being the guests of Blue Ridge Chapter, Daughters of the Confederacy.

All ex-Confederates in the county had been invited, and from dawn to noon a steady stream of those who wore the gray poured into town to handshake and greet once more the survivors of the famous band in Confederate history.

Col. Mosby was not there, his health preventing him from engaging in such festive gatherings.

A business meeting was the first in order at which new officers were chosen, as follows:

Commander, Capt. William H. Chapman, of Richmond; first lieutenant commander, B. F. Palmer, of Richmond; second lieutenant commander, Robert Harrover, of Washington; third lieutenant commander, T. W. Lake, of Loudoun county; sergeant major, Boyd M. Smith, of Louisa; chaplain, Rev. Frank A. Strother, of Fairfax; adjutant Henry A. Ashby, of Delaplane.

After this meeting, dinner was served on the lawn of E. E. Rogers, by the Daughters of the Confederacy. From the portico of the residence Mayor G. Ernest Leith delivered an address of welcome in behalf of the town and the Daughters of the Confederacy, to which a response was made by Rev. J. T. Williams, of West Virginia.

Capt. John H. Alexander, of Leesburg, who has written a most excellent history of Mosby's exploits, himself a member of the command, was chosen toastmaster. The first to address the assemblage after dinner was Henry T. Harrison. Mr. Harrison's subject was "Mosby and his men," and his eulogy of the Confederate cause and of the gallant deeds of Mosby's command was greeted with applause.

Col. Hugh McIlhenny, of Staunton, past commander of the camp, responded to Mr. Harrison.

A review of the old battle ground around the town was made, and many changes noted by the visitors.

## A HUMAN LIFELINE.

The daring ingenuity of John J. Howard, a policeman, probably saved the life of John Weisenback, a cripple, who had been unable to flee with others from a burning house in New York. With the aid of several firemen, who grasped him by the legs as he swung head downward from a five-story window of an adjoining house, the policeman swung across a five-foot court, grasped the cripple, who was leaning from the window of his burning home, surrounded by flames, and drew him up to safety. Almost before the flames had been checked, after damaging the building to the extent of \$15,000, residents of the immediate vicinity, which is a poor tenement district, had started a purse for the policeman with contributions of \$250 and were preparing a petition to Commissioner Bingham to advance the patrolman to the rank of sergeant "in behalf of the Jewish population of the neighborhood."

## LOST A MILLION A DAY.

An aggregate loss of \$1,000,000 a day during the months when the forest fires have been prevailing in various parts of the United States is estimated by W. J. Magee, the erosion expert of the Department of Agriculture. The forestry bureau, in a statement yesterday, says that probably in every instance the devastating forest fires might have been prevented if the various states had provided an adequate number of men to patrol the woods and arrest the fire in their incipency and if lumbermen and other users of the forest had been careful to dispose of brush after logging, so as to prevent the spread of fires.

Exclusive of salaries of forest officers the work of putting down fires on the national forests during the past year cost the government \$80,000, which means protecting approximately 168,000,000 acres. The statement says the loss from timber destroyed in 1908 will be larger than last year, but that it is doubtful if the exact losses will ever be known.

DeWitt's Carbollized Witch Hazel Salve is the best thing to use for piles. Sold by W. F. Creighton & Co.

## Best Treatment for a Burn.

If for no other reason, Chamberlain's Salve should be kept in every household on account of its great value in the treatment of burns. It allays the pain almost instantly, and unless the injury is a severe one, heals the parts without leaving a scar. This salve is also unequalled for chapped hands, sore nipples and diseases of the skin. Price, 25 cents. For sale by W. F. Creighton & Co. and Richard Gibson.

## "Ninety Three"

The Story of a Famous Name and How it Originated.

The foremost dermatologist in France, Dr. Sabouraud, of Paris, and Prof. Unna, Hamburg, Germany, discovered that a microbe cause baldness. To prove their theory, Dr. Sabouraud infected a guinea pig with some of these microbes, and in a comparatively short time the animal was denuded of every hair that was on its body.

Some eminent histologists and chemists were employed by the United Drug Co., Boston, Mass., to find the means of destroying these microbes and a remedy that would create a new growth of hair where the roots had not been entirely destroyed.

After months of study, experimenting and research work, they discovered what they claimed would do what was demanded. To unquestionably prove their theory, 100 leading druggists, located in as many different cities, were requested to each furnish the name of a responsible person suffering from falling hair and baldness. Each of these 100 persons were furnished two bottles of the preparation with a request to give it a thorough trial and report results.

Five of these persons failed to report. Two declared they had been bald for years; that their hair follicles had long been closed and their scalps were smooth and glossy.

Ninety-three of the 100 sent in enthusiastic reports, stating that they were delighted with the hair-restoring qualities of the preparation, and expressed sincere thanks for the wonderful benefits brought about by its use. In commemoration of this, the new preparation was named "93" Hair Tonic.

We sell this remedy with the distinct understanding that it is free of cost to the user in every case where it does not completely remove dandruff, stimulate the hair follicles, revitalize the hair roots, stop the hair from falling out, grow new hair and make the scalp free from irritation.

Resell "93" Hair Tonic comes in two sizes; prices, 50c and \$1.00. W. F. Taylor, 616 King street.
